

MEMORANDUM

To: All Interested Vendors

From: Dan Jones
Procurement Buyer

Date: February 1, 2022

Subject: Addendum No. 1
ITB 22-003 Backflow System Inspection, Maintenance and Repair
Summary of Pre-Bid Meeting
Question and Answer
Corrected Appendix A

Part I.

On Tuesday, February 1, 2022, at 12:30 PM the Columbus Metropolitan Library (“CML”) conducted a pre-bid meeting for the ITB for Backflow System Inspection, Maintenance and Repair. The pre-bid meeting was held virtually via Microsoft Teams. CML sent the following representatives:

Chris Allen, Maintenance Supervisor
Ryan Drake, Operations Manager
Dan Jones, Procurement Buyer
Jamie Lang, Director, Financial Planning & Analysis

The following companies sent representatives:

Protegis
S.A. Comunale

The company representatives in attendance offered questions on the specifications. A condensed summary of the questions and answers is in Part III of this addendum.

Part II. Question and Answer

Q1: How many of the backflow device locations are confined space qualified?

A1: Zero

Q2: Are any of the backflow device locations known to be difficult to get to?

A1: No

Part III. Cost Sheet Update

Appendix A has been updated to include separate columns for each year of the contract and a second tab for all repair rates.

**BIDDERS ARE REQUIRED TO ACKNOWLEDGE THE RECEIPT OF THIS MEMORANDUM
(ADDENDUM NO. 1) ON THE ACKNOWLEDGEMENT OF ADDENDA FORM IN THE ITB
