

Rain Drop Name/Word Craft

Materials needed:

- Paper (blue and white)
- Scissors
- Marker
- Plastic baggy

Directions:

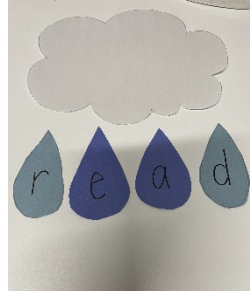

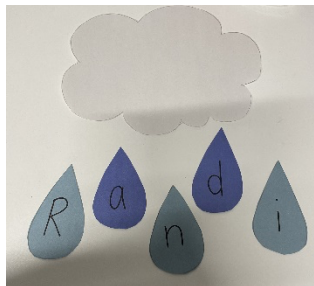

1. Cut the blue paper into rain drop shapes and cut the white paper into a cloud shape.

2. On each raindrop have your child write or work together to write each letter of their name (you could also choose to spell out a different word)
 - a. Encourage your child to try to write, don't worry if it is not perfect!

3. Place each letter raindrop in order below the cloud to spell their name. See what other letters you can write to spell more words under your rain cloud.

4. If you have a plastic baggy, keep your raindrops so you can do it again and again.
